THANKS TO THE GARDEN, WE HAVE  
A **NEW GREEN SPACE** ON THE ESTATE.  
THERE USED TO BE SEVERAL NEGLECTED  
PLOTS HERE. TODAY WE CAN LIE DOWN  
ON A DESKCHAIR UNDER THE WILD CHERRY  
AND LISTEN TO THE TWITTER  
OF BLACKBIRDS.

SUCH A **GREEN OASIS**  
NEAR THE HOUSE  
IS AT PREMIUM.

Paulina THE „SIEMASZKI”  
COMMUNITY GARDEN

I STARTED THE GARDEN FOR MY SON  
AND OTHER CHILDREN. SO THAT THEY CAN SEE  
HOW COURGETTES AND OTHER PLANTS GROW.  
TO ENABLE THEM TO TRY THE TOMATO  
RIGHT OF THE VINE.

MEANWHILE, I RELAX  
IN THE FRESH AIR  
AND TRY MY HAND AT GARDENING  
TOGETHER WITH OTHERS.

Joanna THE „MACIERZANKI”  
COMUNITY GARDEN

I STARTED THE COMMUNITY GARDEN  
TO BRING TO LIFE THE IDEAS  
THAT HAVE LONG INSPIRED ME,  
E.G. PERMACULTURE AND URBAN GARDENING.  
WE EXCHANGE IDEAS, EXPERIENCES  
AND TRY NEW THINGS HERE.

WE ALSO OBSERVE NATURE  
AND LEARN HOW TO  
CO-OPERATE WITH IT.
